

## North Riverdale Lutheran Church

*Where we seek to do justice, love with compassion,  
and walk humbly with our God.*

September 27, 2017

We need this special ministry update today, because there is too much good news for this Friday's Weekly Update.

I wanted to share with you the very successful "God's Work, Our Hands" servant event.

On Saturday, September 23<sup>rd</sup>, we gathered to assemble all the household items we purchased for 10 of the 40 units in a new apartment building, called Key Terrace, being built by Miami Valley Housing Opportunities for men and women moving out of homelessness and into housing.

We are supplying each unit with 53 household items for their kitchen, bathroom and bedroom. We are helping these men and women get off to a positive new beginning. I'm sure they are grateful for our love and care.

Thanks for all of your generous donations and helping make this opportunity to love our neighbors so successful! Enjoy the pictures.

Peace, Pastor Monte

Here are some of the cleaning supplies for the 10 units.

Each team packaged the items needed for one complete unit.

Long time members worked alongside folks just visiting NRLC.

*Thanks to all who helped!*
